LCA COMMUNITY EVENT

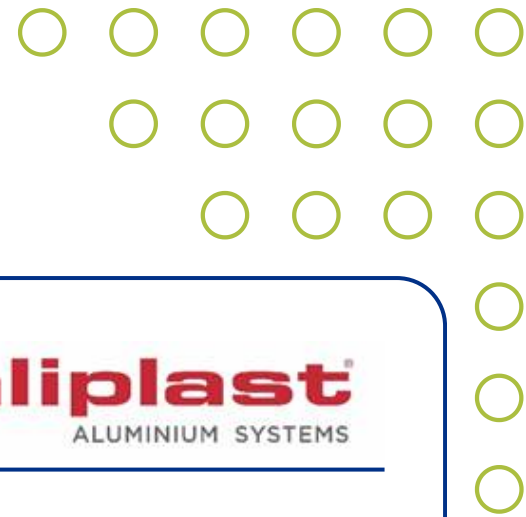

- **Date:** 5th of December, 2024.
- **Enperas:** organizes an annual LCA Community Event, which will take place in Brussels, Belgium.
- **The Goal:** The goal of the Life Cycle Assessment (LCA) Community Event is to create an LCA Community in Enperas, where professionals from various fields working with Enperas on LCA and Environmental Product Declarations (EPDs) can share their cases and participants can acquire knowledge and information on LCA and related topics, connect, engage in interesting discussions.
